Message

▶ Hi everyone, Neko-nyan here. When it comes to IS, I push Cecilia. I like the other girls like Rin and her twin-tails too but I just can't get away from the blond hair also-same character - it's a can't miss trait that drills to my core. And... the stockings really turn me on.

▶ **P.003**

Message

▶ I like the Sasamori sisters, so I drew them. The younger sister is more my type, but the older sister has better boobs. Something to look forward to in future.

Message

▶ I really like all the girls, but I still ended up drawing my favorite. Chari-char! It was fun!

Message

► Laura and Charlotte were so cute when they worked as part-timers, I thought I'd have the Rin + Houshi combo do the same. Cecilia... well, I just thought it's better to keep her away from places with food, right...?

Message

► Laura and the Black Rabbit Squad!
She wore a bunny girl outfit in the anime, didn't she?! She was so cute I thought I would die!

Comic

Registration name

► **Suihi**

Publication page

► **P.027**

Message

► She bought clothes with bunny ears, so I thought I'd draw her with bunny ears and it somehow turned out like this... I love how everyone in IS is always all over the place.

Comic

► **Mimi Mimizu**

Publication page

► **P.017**

Message

► Thank you very much for asking me to contribute to the anthology. I think this is the first time I've drawn a doujin that wasn't adult-themed.

Comic

Publication page

Message

► I drew Rin-chen a lot, so I'm satisfied. Gaspel!

Comic

Registration name

► **Peke**

Publication page

► **P.033**

Message

► Congrats on publishing the IS Anthology! Thank you for inviting me to contribute. I couldn't decide which girl to draw, so I ended up drawing all of them lol. And I still don't know who the real killer was either....

Comic

Registration name

► **Hitsuji Hako**

Publication page

► **P.059**

Message

► The heroines are all so cute that I got a little greedy drawing this. This is especially true for Laura and Clarissa with their constant misunderstandings and the mess they create is really so hilariously cute.

Comic

Registration name

► **Asagawa Keiji**

Publication page

► **P.051**

Message

► The guy in charge said, "It looks like everyone's going to be drawing Chari and Laura, so please draw one of the other girls" and as a huge Alcott fan I couldn't be happier obliging him and drawing her. It's been a while since I drew an IS doujin and it was a lot of fun. Thank you very much.

Comic

► Yaya Hinata

Publication page

Message

► I've been watching the anime. It's so scandalous the way Ichika always trips and falls into a girls' boobs or crotch. Laura's my favorite character.

Comic

Registration name

► Shiina Yuuki

Publication page

Message

► Laura wearing her po3omas is cute, but her normal look is really cute too... is what I caught myself thinking today.

Comic

Registration name

► Mori Airi

Publication page

Message

► I'm very honored to be allowed to draw one of my favorite manga. I'll love all the girls in this manga, so it was hard to choose between them, but I ended up with Rin-chan! I love the manga but I never got a chance to draw it, so I was really happy to draw so much of it here. Thank you very much.

Comic

► Hi, nice to meet you. I'm Hisamaku Mako. While seeing Chari and Ichika flirt with each other, I kinda wanted to draw something to turn Ichika into a heroine too. I'm really happy if you liked it...

Comic

Publication page

Message

► Futaba Masumi here. The manga has a lot of styles, but Laura is my favorite character. I was so happy when and fluffy when she was the main character at the beginning of the second season of the anime. And that Yuri-esque scene made it even better. Fuhhi
